

Tefal®

Perfect texture and taste,
just like traditional cooking

Healthy & Tasty Rice Cooker

EXCLUSIVE TECHNOLOGY

Spherical Pot Induction Heating Technology

Spherical Pot Technology that's inspired by conventional methods of cooking rice over the fire. Tefal's inner pots are precisely orbbed at 62° degree angle at the brim and bottom to promote even heat distribution by swirling grains in a circular fashion instead of vertically.

3D Induction Heating reinforces precise control on temperature adjustment and quality cooking.

Innovative spherical pot technology

Induction spherical heating

6-layer durable pot with non-stick coating

Healthy Rice program (reduce up to 20% carb on white rice*)

Specific basket design to isolate starch and steam cooking rice

Keep warm up to 24 hours

Delayed Start

Preset to your schedule

*Test conducted by an independent laboratory showing 19.8% reduction in carbs of rice cooked with Healthy Rice program vs regular rice program.

Model: RK8608

Features

12 Cooking Programs

Power: 800W

Capacity: 1L

Inner Pot: Spherical Design
6-layer 3mm thick non-stick coating

Healthy Rice Cooking Program

Unique healthy basket

An exclusive technology
15 successive rinsing
cycles to isolate starch

HOW IT WORKS

1. Put the rice
in the specific
basket

2. Add water to
the cooking pot

3. Put the basket
on the pot

4. Start the
"Healthy Rice"
program

COOKING PROCESS IN 2 STEPS

Step 1
Rinsing phase

+

Step 2
Steam cooking

=

Automatic rinsing
cycles with specific
temperature and
duration for
optimal result

There is no contact
between the rice and
cooking water, which
contains starch

AT THE END OF THE COOKING PROCESS

The starch removed
from the rice remains
in the water inside the
cooking pot. 98% of
the starch in the
cooking water is
Rapidly Digestible
Starch (RDS)*
